**We will call you back to schedule a  
 time for inspection**  
 In most cases, your report/estimate will  
 be faxed within 48 hours of  
 completion of the evaluation.

*Our reports show the condition of the portion of chimney that is visible at the time of inspection. We cannot give a report on the interior chase, interior facial wall, underneath the firebox, or other areas that cannot be viewed by normal inspection without removing portions of the chimney. We give no warranty as to the safety of the chimney since we have no control over the homeowner's use of the appliance.*

**Note: The NFPA 211 Standard  
 requires a Level II inspection for  
 wood and gas flues at the sale or  
 transfer of property.**
